

Anneleise Brown
Dressage Trainer, Rider and Judge

I am able to give tuition on all aspects of training the horse/pony from very basic through to advanced, and help with producing more polished dressage tests.

I will help with difficult horses/ponies in a kind and sympathetic way in order to get the results you want to achieve.

I have a 60 x 20 ménage or will travel to you.

Please give me a ring to discuss your requirements.
